

<b>Position Title:</b>	Contract Plant Operator
<b>Location:</b>	Kindersley, Saskatchewan
<b>Closing Date:</b>	November 15, 2024

### Company Profile

Baytex Energy is an energy company with headquarters based in Calgary, Alberta and offices in Houston, Texas. The company is engaged in the acquisition, development, and production of crude oil and natural gas in the Western Canadian Sedimentary Basin and in the Eagle Ford in the United States. Baytex's common shares are traded on the New York Stock Exchange and the Toronto Stock Exchange under the symbol BTE.

### Position Purpose

Baytex has an excellent opportunity for a full-time contractor as a Plant Operator. This position will support the day-to-day operations of the sour gas plant, troubleshooting and optimization of the plant's processes located in the Kindersley, SK area (accommodations are available).

### Key Responsibilities

- Knowledge in compressor and maintenance repair.
- Data collection and balancing data into Production Manager.
- Field consists of oil and gas wells.
- Work schedule will require 10-hour shift work, 8 on 6 off. Willingness to work emergency call-outs as required.

### Qualifications/Attributes

- Minimum five (5) years' experience in a similar role within gas plant operations.
- Ability to communicate well with others.
- Identifies problems and develops solutions.
- Ability to work effectively in a team environment.
- Valid H2S Alive, WHMIS and First Aid Certificates would be an asset.
